

UNIVERSITY OF MAINE AT FORT KENT

International Student Financial Documentation

Office of Admissions • 23 University Dr, Fort Kent ME 04743 Please complete this form and attach it to your financial documentation. Fax it to (207) 834-7609 or you can mail it to the address above.

Thank you for applying to UMFK! As a non-US applicant, we must inform you that federal SEVIS regulations require international students to demonstrate that they have current resources available to support themselves during their first year of study in the US. We can review your application for admission without this documentation, but we will not be able to issue an I-20 before we have received verification that you have these funds available. You will greatly improve your chances of receiving your I-20 in time to arrive at UMFK if you complete this form and return it to our office along with your financial documentation in support of your application. For a detailed listing of current estimated expenses for study at UMFK, please visit www.umfk.maine.edu/tuition.
