I hereby request a waiver of tuition under the Senior Citizen Waiver program. I attest that I am a Maine resident, and that I am sixty-five years of age or older, and in need of financial assistance. (Students enrolling at least half-time in a degree program must complete a FAFSA to determine eligibility for financial funds). To fill out your FAFSA go to www.fafsa.gov.

I have been advised and understand that if the University waives charges for my classes I will be responsible for any additional fees, and that I will only be allowed into class on a space available basis. The University reserves the right to cancel registration and refund my fees if the class becomes full and there are students, who pay full or partial tuition, waiting to get into the same class.
