

## CREDIT-BY-EXAMINATION

### UNIVERSITY OF MAINE AT FORT KENT

CLEP and DSST are credit-by-examination programs conducted by ETS and administered through Student Support Services that provide an opportunity for UMFK students to receive credit for their education required in non-traditional environments. A maximum of 60 credits may be earned through a combination of these available challenge exams, to be completed before the student begins their junior year [see note below]. Students may not receive credit-by-examination for courses they have previously attempted (unless the class is dropped by the last day to add classes-which changes with each new semester). Students who have successfully passed higher level courses in a subject may not take challenge exams for additional credit in that subject. Exceptions to the indicated policy may be approved by the Director of Student Support Services.

**Note:** Students may take foreign language exams to satisfy degree requirements, demonstrate proficiency, and receive credit beyond the junior-year cutoff. This exception will not apply, however, if they have completed courses in the language at UMFK.

Transfer students may take challenge exams, CLEP, DSST during the first three semesters of matriculation at UMFK regardless of previously completed course work.

**FEES:** The charge for CLEP and DSST is **\$85** per exam. A nonrefundable deposit of **\$10** is required on the day of testing. The **\$85** exam fee must be paid online at <http://clep.collegeboard.org/started> during the registration process. Additional information may be obtained through Student Support Services.

Testing will be conducted on an ongoing basis. Students must register 48 hours in advance.

<b>UMFK COURSE #</b>	<b>UMFK COURSE NAME</b>	<b>CHALLENGE EXAM NAME</b>	<b>CREDIT</b>	<b>EXAM TYPE</b>	<b>MINIMUM PASSING SCORE</b>
ANT 100	Intro. To Anthropology	Gen. Anthropology	3	DSST	47
