**Students other than AP RN-BSN Online & Graduate**
Bills are due and payable by August 15th for Fall Semester and January 15 for Spring semester. Late fees will be posted on a monthly basis of up to $100 per semester. If the billing address changes, it is the student’s responsibility to notify the Business Office of the new address, in writing, in a timely manner.

If a balance exists on your student account and you pay State of Maine taxes, the State will pay the University from your State of Maine income tax return prior to sending you payment if you are otherwise eligible for an income tax refund or credit.

**Delinquent Student Accounts**
Students who have delinquent accounts will not be able to register for classes until all financial obligations are met. The University reserves the right to cancel a student’s registration for non-payment of current semester charges. Delinquent accounts may be sent to a collection agency which may adversely affect your credit.
Financial Terms and Conditions Hold

The Financial Terms and Conditions Hold is a legal agreement between the student and University of Maine System explaining the financial obligation of the student. Ensuring that the students understand the financial commitment they are making when they register for courses is an important component of a student’s financial literacy and is also required by the Federal Bureau of Consumer Protection. The Financial Terms and Conditions needs to be completed through the student’s MaineStreet Student center. Registration will be blocked until successful completion.

Loans

The student is responsible to notify the Business Office each semester if they will be receiving a loan and to pay any balances not covered by the loan one week prior to the start of each semester.

Outside Scholarships

Students are responsible for notifying the Business Office each semester of any non-university scholarships to be used to pay University charges.

Payments

The University accepts MasterCard, Visa, American Express, Discover, debit cards, ACH (check payments directly from your checking), and wire transfers. We will accept cash and check payments in person at the Business Office. All card and ACH payments must be done online through the MaineStreet Student Center. There is a convenience fee charged on card payments. Any ACH payments that are rejected due to non-sufficient or invalid account details will receive a fee. Please do not send cash payments by mail. Checks should be made payable and mailed to University of Maine at Fort Kent, 23 University Drive, Fort Kent, ME 04743.

Student Refunds

All students who have a credit balance on their account receive refunds. Loan refunds may take a few weeks to process and arrive. Direct deposit for refunds can be signed up for through the MaineStreet Student Center.

Third-Party Payments

Written authorization from the agency or employer is required prior to the payment due date at the start of each semester. Bills will be provided to third parties upon receipt of address, authorization to bill, and any other pertinent information. No conditional payment offers are accepted.

Payment Plans

Bills must be paid in full no later than the first day of classes. If you cannot pay your bill in full on or before the first day of classes, we offer to qualified students a payment plan of five equal payments. To enroll, a non-refundable payment fee of $30 per semester is required. You can enroll in the Payment Plan through your MaineStreet Student Center under View/Pay my Bill. AP RN-BSN and Graduate Nursing students are not eligible to enroll in payment plans.

Tuition Refund

Courses added or dropped during the first two weeks of the semester result in a tuition reassessment. No tuition credit is provided for courses dropped after this add/drop period. Tuition is not cancelled when a student fails to attend a course; courses are dropped only by formal written notice to the Registrar’s Office. For more information contact the Business Office at 207-834-8650 or umfkbos@maine.edu.

Appeals Policy: Statute of Limitations

Appeals for an exception to the established refund practice must be made to the designated university official. Appeals must be made in writing and will be considered up to 90 days after the close of the semester/session for which the student is claiming a refund. For a traditional semester the dates are no later than March 31 for fall, August 31 for spring, and November 30 for summer. University academic appeals committees hear appeals on academic matters and have no authority to authorize refunds. For more information contact Megan Desjardins at 207-834-8665 or megan.desjardins@maine.edu.
Students Enrolled in Multiple University of Maine System Campuses

If you are taking classes at another UMS campus and your financial aid is through UMFK we will pay the other UMS campus for you. You need to fill out an Away Form which can be obtained from the Financial Aid office or the Business Office. You will be able to view your bills online through MaineStreet by filtering your view by campus. If you carry a balance at one UMS school, it will prevent you from registering at another UMS school.
